

Ganesha

F

You left with a footprint in my back

I'm off the Asia, forgetting to pack.

Ganesha, what can you do for me?

Ganesha, what can you do for me?

C Bflat F

I see everyone praying to you on the streets of Delhi.

I'll jump in the Ganges as part of my plan.

Be reincarnated a happier man.

Ganesha, won't you bring me joy.

Ganesha, won't you bring me joy.

You got a head of an elephant.

The body of a little boy.

I'll lay on top of a funeral pyre.

Let Indian princesses set me on fire.

Ganesha, won't you show me how.

Ganesha, won't you show me how.

I've been sitting here waiting, milking the sacred cow.
