

Pledge To The Flag

D G D A
I pledge allegiance to the flag,
 D A D
Above the whiteboard every day.
D G D A
So why must I repeat myself?
 D A D
Don't teachers believe what I say?
 D A D
Don't teachers believe what I say?

I pledge allegiance to the flag,
Above the whiteboard every day.
For the hundredth time I've made this pledge
Don't teachers believe what I say?
Don't teachers believe what I say?
