

## Our School Secretary

C  
A billion Band-Aids, and a bloody nose,  
F    C  
Forgotten lunches, a hundred hellos,  
C  
Two twisted ankles, and a Ritalin pill,  
F    G    C  
Too many calls home, and an orange juice spill.

Six lost sweaters, and a stain to soak.  
A zillion ice packs, and zipper that broke.  
Ripped pair of pants, and untied shoes.  
Dog in the hall, blowing on a bruise.

C  
Our secretary has lots to do,  
                G    C  
To make our school day run.  
C  
We think she helps the principal, too.  
                G    C  
Her work is never done.

Cupcakes to class, cough drops for throats.  
Two peeved parents, and tardy notes.  
Janitor found, and a stomach ache.  
Papers to copy, announcements to make.
