

That Lady

Da, da, da, da, da, da Da, da, da, da
Da, da, da, da Da, da, da, da Da, da, da, da

And nothing makes me more than that lady,
She's so strong. She's so strong.
Yet nothing breaks me more than that lady.
She's all wrong. She's all wrong.

Chorus:

That's why I'm a confounded guy.
That's why I'm a confounded guy.

And no one helps me more than that lady.
She's so cool. She's so cool.
Yet no one hurts me more than that lady.
She's so cruel. She's so cruel.

Chorus:

And no one inspires me more than that lady.
She's my muse. She's my muse.
And yet no one tires me more than that lady.
There's no excuse. For the abuse.

Chorus: (repeat)
