

The Catchiest Tune

C
This is the catchiest tune. It's been said,
C G C
If you hear it, it'll embed in your head.
C G C
Three-four time, you will find,
C G C
All the time on your mind.
C G C
So you see, this melody,

C G C
Entered my ear yesterday,
C G C
And I've sat right here and continued to play.
It's only three notes, but if I try to quit.
It remains in my brain, and I must repeat it.
