

Leaving Grade 3 For the Sea

C F G
Oh, take me along on a sailing ship,
C G F
And I'll make some tales of the sea.
C F G
I'll trade this desk for a quarterdeck,
C G
When I leave grade three for the sea, boys.
C G C
When I leave grade three for the sea.

Chorus:

C
So good-bye forever until we meet again.
C G
I'll never leave here until I part.
C
So long fair teacher and my faithful classmates.
C F G
I can't get going until I start.
C
There'll be no more school for me.
C G
There'll be no more school for me.
C G
I've had enough of this classroom stuff,
C G
Cause I'm leaving grade three for the sea, boys.
C G C
I'm leaving grade three for the sea.
C

Chorus:

I'll read the breeze, chart my ABC's.
Count the stars in the galaxy.
Many schools of fish are my only wish.
When I leave grade three for the sea , boys.
When I leave grade three for the sea.

Chorus:

I'll sing sea shanties, paint the seven seas.
Climb the mainmast for PE.
They'll be more white boards when I'm on board,
When I leave grade three for the sea, boys,
When I leave grade three for the sea.

Chorus:
