

F Song
Fine

"How was your day?" they say. "How was your school?" they ask.
"Fine," I reply. "All fine."
"How was the test?" they ask. "How are your grades?" they ask.
Fine. They're fine. All fine.

Chorus:

Fine fine my favorite line.
Fine is a word that I own.
If they ask me I just reply *fine*.
Then they will leave me alone.

Verse 2

"How is your homework? How are your friends?"
"Fine," I reply. "Just fine."
"How do you feel? How are you doing?"
Fine. Just fine. All fine.
