

G Song  
Gee

*Verse 1*

Gee! Gee! Golly Gee!  
Gee whiz! Gee willikers!  
Gee! Gee! That's what I say,  
When you say you like me.

*Verse 2*

Gee! Gee! Golly gee!  
Gee whiskers! Jeepers!  
Gee! Gee! Nothing else comes out,  
When I want to say I like you.

*Refrain*

Gee! Gee! I get choked up.  
Get! Gee! My brain is blurred.  
Gee! Gee! My tongue is tied.  
I know no other word.

*Verse 3:*

Gee! Gee! Golly Gee!  
Gee whiz! Gee willikers!  
Gee! Gee! That's what I say.  
When you say you like me.
