

Pacific Ocean, It Has 3 C's

Pacific Ocean, it has three C's.
Three C's in the big sea are found.
And each C I see in Pacific Ocean,
Is said with a different sound.

Chorus

Sss—First C waves sliding off sand.
K—The next breakers crashing off shore.
Shh—The last C's the sea far far away,
When I see the sea no more.

Pacific Ocean, it has three C's.
Three C's in the big sea are found.
And each C I see in Pacific Ocean,
Is said with a different sound.
